THE C. AND O. CANAL.—The Maryland board of public works has issued an order directing Attorney General Whyte to appeal from the recent decision of the Washington county, Md., Circuit Court in the case of the C. and O. canal, in which the canal was turned over to the 1841 bondholders.

Gun Bradley T. Johnson, counsel for the trustees under the mortgage of 1841 of the Chesapeake and Ohio Canal, says all the substantial arrangements for complying with the decree of the court, by which the trustees are to take possession of the canal, have been completed. He hopes their bond for \$500,000 will be filed this week.

THANKSGIVING DAY.—Partially obscured by a fog in the morning and evening, the day was a success. The banks, government and some of the municipal offices, &c. The clerks in the railroad offices, and most of the churches had holiday and there was no meeting of the churches. Service were held at several of the churches, but the congregations were not large. In the evening most of the stores on the wharves and others in different parts of the city closed. Numbers of young men and boys left early this morning to spend the day hunting in the surrounding country and possibly all the game in this immediate region will be scared off if not killed.

In order to accommodate those who have not time to pay their State taxes during the day, Treasurer Harlow will keep his office open during this week from 7 to 9 o'clock at night.

A BIG MANUFACTORY.—Attention is called to the advertisement of Messrs. G. R. Hill & Co. This firm is one of the most extensive manufacturers of candies and cakes in the country and constantly keep up with the improved machinery, &c. used in their business. The line of candies and cakes they will offer for the Christmas trade this year has never before been equalled in this section of country, and when housekeepers learn that they can buy cheaper and better cakes, &c., than they can make at home, they will save much time, worry and expense by buying those manufactured by Messrs. Hill & Co.

A WANDERING JUVENILE.—Miley Leonard, a 14-year-old white boy, was given lodging at one of the Washington police stations last night. He is from Catlett's station, in Fauquier county, at which place he said he had recently worked on a farm. Miley arrived in Washington Monday night and spent at the station-house. After being closely questioned he admitted that he was born in the Shenandoah Valley and worked for a saddler at Simm's postoffice, in Stafford county. The police will try and secure him some work.

In order to accommodate those who have not time to pay their State taxes during the day, Treasurer Harlow will keep his office open during this week from 7 to 9 o'clock at night.

OPERA HOUSE.—Tennyson & Dawson's Novelty Company, together with Majilton's Cyclone of Novelty, will begin a three nights' engagement at the Opera House Monday night. Speaking of this company, the Richmond Times says the specialties were all good and the entertainment from start to finish was thoroughly amusing. After the show a number of useful presents were given to the lucky holders of prizes. The presents given away will be on exhibition in front of the theatre on Monday.

If State taxes are not paid by Monday a penalty of 5 per cent. will be added.

DEATHS.—Mrs. M. E. Reed, wife of Mr. J. B. Reed, died at her home at Brensville yesterday. She was well known in this city.

Mrs. Mary A. Newman, who was stricken with paralysis a few days since, died this morning at the residence of her brother, Mr. W. H. Windsor, on Upper King street.

THE SHENANDOAH BRIDGE.—It is stated that arrangements are being made to construct a new bridge across the Shenandoah river at the point where the Manassas Division of the R. & D. railroad crosses a river. Mr. J. S. B. Thompson, superintendent of this section of the Richmond and Danville, is giving the matter his personal attention.

Save 5 per cent. by paying your State taxes by Monday.

POLICE REPORT.—Last night was cloudy and cool with two rainfalls and seven lodgers at the station house.

A Mayor this morning disposed of the following cases:

John Bell, charged with being drunk and disorderly, and a white man, charged with stealing a watch, were discharged for want of evidence.

Jas. Thomas, charged with indecent conduct, had his case continued.

Frank McHardin, for breaking into and entering the house of Virginia Mead, was sent out of the city.

H., yesterday. The best man was Mr. Walter Fleming, of Washington, and the maid-of-honor Miss Caroline Lucas, of Hagerstown, Md. After the ceremony the parties took the north bound train for Portland, Oregon, where Mr. Holcombe is engaged in business.

If State taxes are not paid by Monday a penalty of 5 per cent. will be added.

LITTELL'S LIVING AGE.

In 1891 the Living Age enters upon its forty-eighth year. It has met with constant commendation and success. A Weekly Magazine, it gives to its readers a complete and up-to-date summary of the progress of the world's thought and action. It presents in an inexpensive form, considering its great amount of matter, with freshness, owing to its weekly issue, and with a completeness, owing to its wide range, of the best essays, reviews, critical and literary, of travel and discovery, poetry, scientific, biographical, historical and political information, from the entire body of the foremost living writers. The ablest and most cultivated intellects in every department of literature, science, politics and art, find expression in the Living Age, and it is the only magazine of the kind in the English language.

The Living Age, forming four large volumes a year, furnishes, from the great and generally inaccessible mass of this literature, the only compilation that, while within the reach of all, is satisfactory in the completeness with which it embraces whatever is of immediate interest, or of solid permanent value. It is therefore indispensable to every one who wishes to keep pace with the events of intellectual progress of the time, or to cultivate in himself or his family general intelligence and literary taste.

Published weekly at \$8 a year, free of postage. To new subscribers for the year 1891, remitting before January 1st, the numbers of 1890 sent after the receipt of their subscriptions, will be sent gratis.

For \$10.50 The Living Age and any one of the American \$4 monthlies or Harper's Weekly or Bazar will be sent for a year, to postpaid, or for \$10.50 The Living Age and Scribner's Magazine or the Nicholas. Address: LITTELL & CO., Boston.

Remarkable Rescue.

He told her she was a hopeless victim of consumption and that no medicine could cure her. Her daughter, a girl of 18, bought a bottle and to her delight found herself benefited from the first dose. MEDICINAL.

NOTHING SUCCEEDS

LIKE SUCCESS.

The reason RADAM'S MICROBE KILLER is the most wonderful medicine, is because it has never failed in any instance, no matter what the disease, from LEPROSY to the simplest disease known to the human system. The scientific men of today claim and prove that every disease is

CAUSED BY MICROBES.

AND

Radam's Microbe Killer

Exterminates the Microbes and drives them out of the system, and when that is done you cannot have an ache or pain. No matter what the disease, whether a simple case of Malarial Fever or a combination of diseases, we cure them all at the same time, as we treat all diseases.

Asthma, Consumption, Catarrh, Bronchitis, Rheumatism, Kidney and Liver Disease, Chills and Fever, Female Troubles in all its forms, and, in fact, every Disease known to the Human System.

BEWARE OF FRAUDULENT IMITATIONS!
